

House Bill (HB) 76 Primary Care Practitioner (PCP) Enhanced Fee Schedule (Effective July 1, 2015)

Enhanced reimbursement is available to primary care practitioners who successfully attested to and received the federal Patient Protection and Affordable Care Act (ACA) PCP increase between 1/1/2013 through 12/31/2014.

- FQHC, RHC, public health departments and nursing homes do not get the increase.
- Practitioners participating in the Physician Upper Payment Limit (UPL) Program do not get the increase.
- Providers eligible for the rate increase will be identified by the Specialty Codes 552 and 553.
