101. Goal of Presumptive Eligibility (PE)

The goal of the Presumptive Eligibility (PE) program is to provide Medical Assistance coverage during the application processing period and remove barriers to the availability of medical care critical in positively affecting the health of Georgian individuals.

The Department of Community Health (DCH) is committed to providing Qualified Hospitals (QH) for determining a PE for Parent/Caretaker with Child(ren), Children Under the Age of 19, Pregnant Women, and Former Foster Care with clear and practical guidelines:

101.1. Understand Medical Assistance coverage available to individuals eligible for Medical Assistance

101.2. Understand the application process for PE;

101.3. Understand the eligibility requirements to be used in making PE determinations;

101.4. Be able to compute a PE budget using a PE Hospital application form 632H;

101.5. To screen on Georgia Medicaid Management Information System (GAMMIS) to prevent multiple Medical Assistance ID numbers being issued;

101.6. To correctly perform on-line entry of the PE Medical Assistance application;

101.7. Understand procedures for processing Medical Assistance applications.

Note: PE Women's Health Medical Assistance - refer to the PE WHM manual for regulations, forms and procedures.

Note: Form 632H can be used for PE Pregnant Women Medical Assistance – refer to the PE Pregnant Women manual for regulations, forms and procedures.

Chapter 200: Overview of Presumptive Eligibility

201. Definition and Description of Presumptive Eligibility (PE)

PE is an expedited process of enrolling eligible applicants into the Medical Assistance program, who are determined by a Qualified Hospital (QH), on the basis of preliminary information, to be presumptively eligible.

PE is an expedited process of enrolling eligible applicants into the Medical Assistance program, who are determined by a Qualified Hospital (QH), on the basis of preliminary information, to be presumptively eligible.

Medical Assistance coverage may be granted to the applicant who meets the eligibility requirements consisting of an income comparison test using the applicant's statements to establish gross income.

The PE period begins on the date the Qualified Hospital determines the applicant eligible. PE period ends when DFCS determines eligibility or ineligibility for Medical Assistance, but no later than at the end of the following month of the PE approval. *The web portal has been updated, and coverage no longer reverts to the beginning of the month for Presumptive Eligibility.

If the applicant is determined eligible for the program, the individual(s) receive an approval notice and temporary Medical Assistance certificate. If the eligibility continues, the individual(s) receives the plastic Medical Assistance member identification card.

The number on the card is the Medical Assistance identification number. This number will remain the same throughout the member's eligibility.

PE determinations for Parent/Caretaker with Child(ren), Children Under the Age of 19, Pregnant Women and Former Foster Care can be completed by QHs. DFCS are not included in the legislation as qualified hospitals.

201.1. A Qualified Hospital is a hospital that:

201.2. Participates as a Georgia Medical Assistance provider;

201.3. Notifies DCH of its election to make PE determinations;

201.4. Agrees to make PE determinations consistent with DCH's policies and procedures;

201.5. Assists individuals in completing and submitting the full single streamlined application and understanding any documentation requirements; and

201.6. Has not been disqualified by DCH.

As part of the PE process, the QH will email the complete PE packet to DCH at pecorrections@dch.ga.gov, within five (5) business days of the PE completion, regardless if the PE application was approved or denied.

202. Summary of Process

The PE process involves the Qualified Hospital (QH), the Department of Community Health (DCH), the Georgia Medicaid Management Information System (GAMMIS), and DFCS office. The QH determines eligibility for the presumptive period, the DFCS office determines eligibility for ongoing and retroactive Medical Assistance; and DCH/GAMMIS issues the Medical Assistance member card and provides reimbursement to participating providers for Medical Assistance approved services.

The process begins when the applicant enters the QH's office and requests Medical Assistance coverage. The QH obtains enough information to determine income eligibility and establishes if the individual(s) qualify for PE Medical Assistance. Additionally, the QH assists the applicant in completing a single streamlined application for ongoing and retroactive Medical Assistance eligibility.

After the PE application is approved, the eligible member is given an approval notice and temporary Medical Assistance certificate. The QH will email the completed PE application packet securely to DCH. Upon receipt of the PE packet, DCH will review for accuracy; intervening when errors or abnormalities are observed by notifying the QH of any incorrect policy and/or procedures. DCH will email the DFCS office the PE packet. DFCS registers the Medical Assistance application and determines eligibility for ongoing months, as well as the retroactive months when requested. Notice is given to the member regarding the eligibility finding, and the results of the determination are forwarded to DCH/GAMMIS for appropriate processing.

When DCH/GAMMIS receives the eligibility information, an open record is established for the member for payment of claims. When DCH/GAMMIS is notified by the DFCS teams of the results of the Medical Assistance determination, the record is continued as an active Medical Assistance record if eligible or the PE is closed if ineligible.

203. Certification Process and Liability

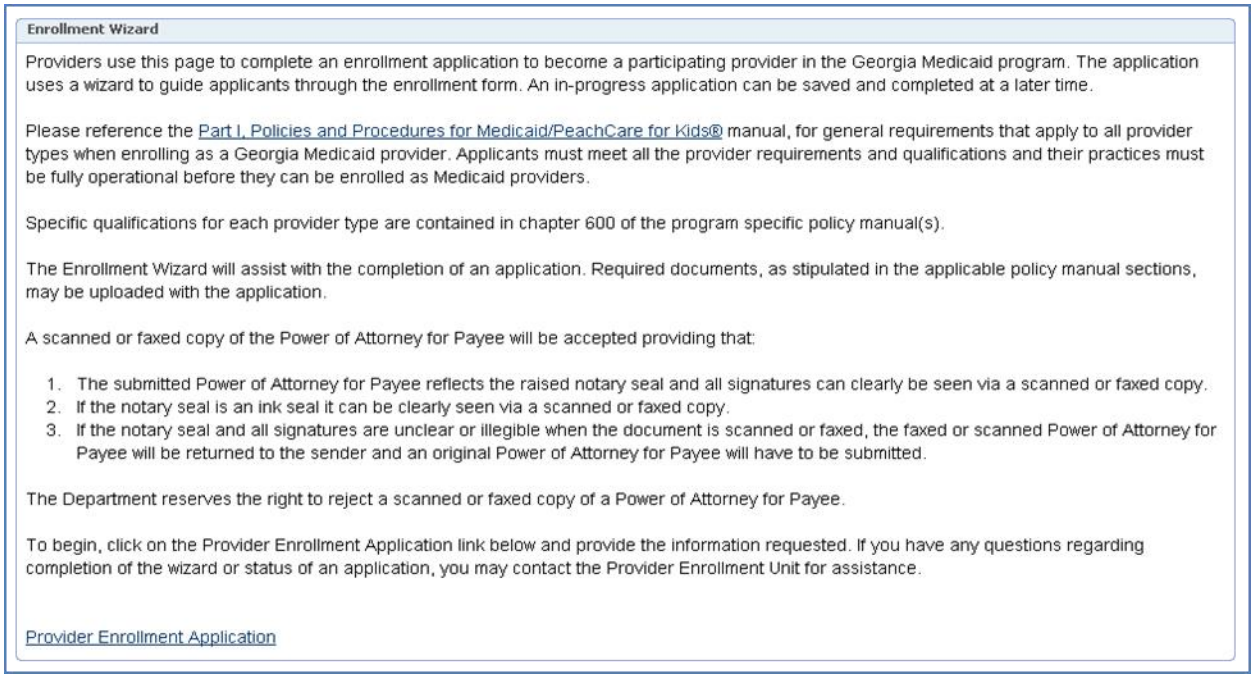

Per the Affordable Care Act (ACA), hospitals who meet the requirements of participation will be given the opportunity to become Qualified Hospitals by completing PE Medical Assistance training. The training requirement is met by attending a presumptive workshop and satisfactorily performing the training exercises.

Upon completion of the training, each hospital certifies that all QH requirements have been met by completing the QH Memorandum of Understanding (MOU) contract. Upon receipt of the MOU contract, the DCH Provider Enrollment Unit will add the QH specialty code to the provider's file and issue an approval notice to the provider showing the effective begin date for performing QH activities.

A hospital interested in becoming a QH should contact:

Gainwell Technologies Provider Enrollment
P.O. Box 105200
Tucker, GA 30085-5200

Call toll free 1-800-766-4456 or online at www.mmis.georgia.gov

203.1. Disqualification of a Hospital

DCH must take action, including, but not limited to, disqualification of a hospital as qualified hospital if DCH determines that the hospital is not:

203.1.1. Making, or is not capable of making, PE determinations in accordance with applicable DCH policies and procedures; or

203.1.2. Meeting the DCH standard.

203.1.3. DCH may disqualify a hospital as a qualified hospital after it has provided the hospital with additional training or taken other reasonable corrective action measures to address the issue.

204. Responsibilities of a Qualified Hospital

204.1. Make correct determinations of PE Medical Assistance;

204.2. Email the complete PE Medical Assistance packet securely to DCH at pecorrections@dch.ga.gov, within five (5) business days of the PE determination results;

204.3. Assist the applicant in completing a signed Single Streamlined Medical Assistance application;

204.4. Inform the applicant in writing of the results of the PE Medical Assistance determination;

204.5. Do not delegate the authority to determine PE to another entity.

205. 2025 Hospital Presumptive Eligibility (HPE) Training Schedule

Training for 2025 will be webinar trainings held via Microsoft Teams. New employees need to attend one HPE Training to become certified in the HPE program. Other veteran staff are welcomed to attend a HPE Training. Employees who are audited and have two or more errors in an audit month, will be required to attend the next HPE Training.

Sign-up will be required to attend the HPE Training. The sign-up link will be sent to all PE Coordinators approximately four weeks prior to the training dates listed below. These dates are subject to change.

HPE Training (sign-up required)
Currently working on revamping the training and updating for 2025. At this time, live trainings have been postponed. We may be moving to more of a hybrid style where part 1 of the new employee training will be recorded and part 2 will be a live portion that will consist of scenarios to test understanding and for participants to ask questions to ensure understanding. Part 3 would be the assessment of which the participant would need to score at least 80% to be qualified to process HPE Applications. Please continue to utilize the existing recorded trainings until further notice.
If you have any questions about training, please contact Jacqueline Huggins at Jacqueline.huggins3@dhs.ga.gov.

206. Services

PE provides Medical Assistance reimbursement for most services. PE does not cover labor and delivery services.

All limitations to services and other special requirements, such as prior approval, must be met for the service to be reimbursable. Claims must be submitted according to the directions of DCH policy within the time frames specified. Any questions regarding billing procedures should be directed to the DCH's fiscal agent, Gainwell Technologies.

For applicants approved for PE Pregnant Women, some dental coverage is included. For dental coverage, applicant should be given the DMA 635 form, Attestation of Pregnancy to have her doctor complete. Applicant should give the completed from to her dentist. Only limited services are covered.

Note: Dental coverage ends the day pregnancy is terminated.

Pharmacy updates take 24-48 hours to update in the Optum system (Optum is the DCH vendor for pharmacy). For emergency updates, PE Coordinators should send a request securely to pecorrections@dch.ga.gov the same day of the PE approval (send member's first name, last name and Medical Assistance ID#).

Chapter 300: General Program Requirements

301. Right to Apply

Any applicant will be given the opportunity to apply for PE Medical Assistance benefits without delay.

A PE Medical Assistance application may be made at any time even if there is a Medical Assistance application pending at the county DFCS office; however, PE applications cannot be completed for individuals that are receiving full Medical Assistance benefits or after the termination of pregnancy.

If the applicant is already active on another Medical Assistance Class of Assistance (COA), inform the applicant they are already active. PE is temporary Medical Assistance; therefore, do not complete a PE Medical Assistance application when the applicant is already active on full Medical Assistance except for Planning for Healthy Babies® (P4HB) aid categories 180 (Inter-Pregnancy Care-IPC) or 181 (Family Planning-FP). Refer to Appendix C for a brief overview of the COA.

If the applicant is active on P4HB (IPC or FP), complete the PE application, add approved PE to GAMMIS, complete the PE Manual Updates form to indicate 'Terminate P4HB' and email form along with 632H securely to DCH at hpe.inquiries@dch.ga.gov

If applicant is pregnant and active on Women's Health Medical Assistance (WHM), please inform applicant to contact DFCS to report pregnancy or QH can send secure email to womenshealth@dhs.ga.gov.

If applicant is pregnant and active on SSI, QH should complete the SSI Pregnant Women Update form and send form securely to DCH at hpe.inquiries@dch.ga.gov

If applicant is pregnant and active on QMB or SLMB, complete the PE application, add approved PE to GAMMIS, send PE packet securely to DCH at hpe.inquiries@dch.ga.gov and in the body of the email, indicate applicant is active on Q-track also.

If applicant is pregnant and active on QI-1 or QDWI, have applicant complete the full Medical Assistance application (94a) only and send application securely to DCH at hpe.inquiries@dch.ga.gov. Subject line: QI- 1 or QDWI/Pregnant Applicant

If applicant is active on Inmate Medicaid, complete the PE application, ask applicant the release date, DO NOT add PE to GAMMIS, send release date and 632H securely to Jacqueline.huggins3@dch.ga.gov

All other active Medical Assistance members are to be referred back to DFCS with their updates.

Note: Individuals who are inmates of a public institution are not eligible for PE Medical Assistance. Do not complete a PE application.

The applicant is the primary source of information regarding PE. The QH will make the determination of eligibility based solely on the information obtained in the interview and will

not require any verification or documentation of the applicant's statements.

PE policy does not allow for Emergency Medical Assistance (EMA) to be approved as PE. An applicant may not be refused a PE application if they are not a US Citizen, US National, or not a qualified immigrant.

These applicants will be given an application form 632H and informed that their PE application will be denied initially; however, the Medical Assistance application will be reviewed by the DFCS office, and the applicant will be notified of the final disposition of the Medical Assistance application for EMA.

302. Confidentiality

Any information regarding the applicant, obtained for the purpose of determining PE, is considered confidential, including the name, address and benefits provided, and may not be disclosed to any persons or agencies other than those directly related to the administration of Medical Assistance known as covered entities.

DCH, DFCS, and QH are covered entities.

Health Information Portability and Accountability Act (HIPAA, Public Law 104-191) and safeguarding Protected Health Information (PHI) must be enforced at all times.

Covered entities may use and share only the minimum amount of protected information necessary to accomplish a particular purpose.

The minimum necessary standard, a key protection of the HIPAA Privacy Rule, is based on protected health information will not be used or disclosed when it is not necessary to satisfy a particular purpose or carry out a function. The minimum necessary standard requires covered entities to evaluate their practices and enhance safeguards as needed to limit unnecessary or inappropriate access to and disclosure of protected health information.

Each applicant will receive the Notice of Privacy Practices Form. HIPAA resource information can be found at: http://dch.georgia.gov/hipaa-privacy- notices.

303. Non-Discrimination

Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age of Discrimination Act of 1975 prohibit discrimination on the grounds of race, color, sex, age, religion, national origin, political affiliation or handicap in the administration of federally funded programs, including the Medical Assistance program.

The Department of Community Health (DCH) does not allow any applicant to be denied PE subjected to discrimination.

304. Notice and Informing

An applicant is entitled to adequate notice of the results of the PE determination. They must be informed that their application for Medical Assistance has been forwarded to the DFCS for a formal determination of eligibility.

Follow the process outlined in Chapter 700 for approvals or denials.

305. Fair Hearing Rights

PE is a temporary time limited Medical Assistance coverage, there are no hearing rights available at the time of the determination of PE or at the time the coverage ends.

An applicant is entitled to a fair hearing when DFCS makes a decision on their application for ongoing/retroactive Medical Assistance benefits.

306. Planning for Healthy Babies® (P4HB)

The Center for Medicare and Medicaid Services (CMS) approved a 10-year extension in August 2019 to the Planning for Healthy Babies® (P4HB) 1115 Demonstration Waiver. The P4HB demonstration covers Family Planning services to women ages 18 through 44 who are at or below 211 percent of the federal poverty level (FPL), who are U.S. Citizens and Georgia residents, who do not qualify for other Medicaid benefits and any other insurance coverage with the exception of vision or dental insurance, including Medicare or PeachCare for Kids®.

There are three levels of service under P4HB – Family Planning Services 181, Inter-Pregnancy Care Services 180, and Resource Mother 182-183 Services. P4HB covers Inter-Pregnancy Care (IPC) services, including primary care case management, for eligible women who have delivered a very low birth weight baby (VLBW) (birth weight less than 3 pounds 5 ounces) within three years of application date. Women, actively receiving Medical Assistance, that have delivered a VLBW baby, may receive services in the Resource Mother (RM) component of P4HB.

The primary goals of the P4HB program are to reduce Georgia's low birth weight (birth weight less than 5 pounds 8 ounces) and very low birth weight (birth weight less than 3 pounds 5 ounces) rates; the number of unintended and high-risk pregnancies in Georgia; and Georgia's Medicaid costs by reducing the number of unintended pregnancies.

All applicants for PE Medical Assistance should be informed about P4HB, regardless, if they are approved or denied. Applicants can apply for P4HB online at www.gateway.ga.gov. Applications can be picked up at a local Health Department or local DFCS office.

Completed applications and required documentation should be faxed or mailed to:

Division of Family and Children Services Customer Contact Center
P.O. Box 4190 Albany, GA 31706 Fax: 912-632-0389

For more information about P4HB, visit https://medicaid.georgia.gov/planning-healthy-babies or call 1-877- 427-3224 or 1-877-423-4746.

See the P4HB post cards located in Appendix R.
See the Family Planning policy manual located on the GAMMIS web portal.

Chapter 400: Application and Enrollment Process

401. Procedural Responsibilities of a Qualified Hospital

The PE process involves several steps from the point of application with the QH through the final disposition of the applicant's Medical Assistance application by the DFCS teams.

401.1. The QH shall conduct an interview with the applicant at which time the provider shall:

401.1.1. advise the applicant they may be eligible for Medical Assistance benefits as a PE member and for full Medical Assistance benefits for ongoing and retroactive Medical Assistance coverage;

401.1.2. obtain adequate information from the applicant to complete the PE application (form 632H) and the HIPAA form (form 5460);

401.1.3. determine if the applicant meets the PE Medical Assistance eligibility criteria;

401.1.4. assist an applicant with completing the Single Streamlined Medical Assistance application and obtain the applicant's signature. If the applicant has proof of identity and/or citizenship obtain a copy for the Medical Assistance application. Refer to section 502 for the complete list of acceptable citizenship/qualified immigrant/identity documents.

401.2. For any applicant determined presumptively eligible, the QH shall:

401.2.1. perform an on-line entry of the application in GAMMIS or complete the PE Manual Updates form and send to DCH the same day the PE application was completed, for data entry when a QH does not have internet access to GAMMIS

401.2.2. provide the applicant with the Notice of Action-Approval form (634H) and a copy of the temporary Medical Assistance certificate;

401.2.3. email a copy of the complete PE Medical Assistance packet to DCH within five (5) business days upon completion of the PE Medical

401.2.4. Assistance determination;

401.2.5. inform the applicant of the PE period;

401.2.6. provide the applicant with a copy of the HIPAA notice, Notice of ADA/Section 504 Rights, Quick Guide on PE Medical Assistance and Understanding Medical Assistance booklet, which explains the program and gives additional information;

401.2.7. provide the applicant with the address and telephone number of the local DFCS office;

401.2.8. provide the applicant with the P4HB information.

401.3. For any applicant determined not eligible for presumptive coverage, the QH shall:

401.3.1. inform the applicant verbally and in writing via form 634H that they are not presumptively eligible;

401.3.2. advise the applicant that if their circumstances change, they may have another determination of PE performed by a QH;

401.3.3. inform the applicant that their application for Medical Assistance has been forwarded to the DFCS office for a formal determination of eligibility;

401.3.4. forward the completed and signed PE Application (632H), HIPAA form (5460)-signature page, Notice of Action-denial (634H), Notice of ADA/Section 504 Rights and the Single Streamlined Medical Assistance application (94a) to DCH;

401.3.5. provide the applicant with the address and telephone number of their DFCS office;

401.3.6. provide the applicant with the HIPAA notice, Notice of ADA/Section 504 Rights and P4HB information.

401.4. Approved PE Members Reported Changes

For any certified presumptively eligible member who needs to report a change of address, the QH shall complete the PE Manual Updates form and send to DCH along with the 632H.

Correct addresses are needed so members can obtain Medical Assistance notifications and cards, their Care Management Organization (CMO) choice selection and ongoing information, and for NET (non- emergency transportation), etc.

Approved PE members will be auto enrolled into a CMO (Amerigroup, CareSource or Peach State) if approved for ongoing and/or retroactive Medical Assistance benefits. Inform them to talk to their providers regarding which Medical Assistance they accept so they know which CMO to choose.

Chapter 500: Non-Financial Eligibility Requirements

501. Determination of Budget Group

Non-income requirements for PE include Citizenship/Immigration status; Georgia Resident; pregnancy statement (for Pregnant Women); the appropriate age or being a Former Foster Care member when required by regulations.

In order to determine income eligibility for PE Medical Assistance coverage, it is necessary to determine who is included in the budget group. The budget group is comprised of those members of the household whose needs and net taxable income are included in the net taxable income comparison test. The budget group size determines the income limit used and how much net taxable income is used in the comparison to the income standard.

All household members will not necessarily be members of the budget group. In order to be included in the budget group, there must be a tax filer or non-tax filer relationship.

502. Definitions

Applicant- an individual who is seeking a PE Medical Assistance determination for himself or herself through a PE Medical Assistance application submission.

Member- an individual who has been determined eligible and is currently receiving Medical Assistance.

Tax Filer- an individual who states they expect to file a tax return for the taxable year.

Non-Tax Filer- an individual who state they do not expect to file a tax return or does not expect to be claimed as a tax dependent by someone for the taxable year.

Parent- natural, adoptive or step.

Caretaker Relative– any nonparent adult that a child is living with and who assumes primary responsibility for the dependent child's care (as may, but is not required to, be indicated by claiming the child as a tax dependent for Federal income tax purposes).

Dependent Child- a child (natural, adoptive, or step) who meets both of the following criteria:

502.1. Is under the age of 19;

502.2. Is deprived of parental support by reason of the death, absence from the home, physical or mental incapacity, or unemployment of at least one parent. A parent is considered unemployed if he or she is working less than 100 hours per month.

Sibling- natural, adoptive or step.

Non-Applicant- an individual who is not seeking an eligibility determination for himself or herself but is included in an applicant's or beneficiary's budget group.

Budget Group- the number of persons counted as members of an individual's household. This is based on either a tax filer household or a non-tax filer household. The number in the budget group will determine what income limit is used.

Tax Filer Household- the household consists of the taxpayer and all their tax dependents. All members of the tax filer's household are included in the budget group.

Non-Tax Filer Household- the household consists of individuals who live together, do not expect to file a Federal tax return, and do not expect to be claimed as a tax dependent for the taxable year. Must include in the budget group:

502.3. The individual's spouse;

502.4. The individual's natural, adopted and step children under the age of 19; and

502.5. The natural, adoptive and step siblings of those children.

Tax Dependent- an individual expected to be claimed as a dependent by someone else for a taxable year. Tax dependents can only be claimed once per taxable year.

Individuals Claimed As A Tax Dependent- an individual who expects to be claimed as a tax dependent by a taxpayer for the taxable year. The tax dependents are included in the tax filer's household.

Three (3) exceptions for claimed tax dependents:

502.6. Individual(s) being claimed as a tax dependent by someone other than a parent; or

502.7. Child(ren) living with both parents, expected to be claimed by only one parent as a tax dependent and the parents are not filing a joint tax return: or

502.8. Child(ren) claimed as a tax dependent by a non-custodial parent. A court order or binding separation, divorce, or custody agreement establishing physical custody controls; or if there is no such order or agreement or in the event of a shared custody agreement, the custodial parent is the parent with whom the child spends most nights.

Note: If a taxpayer cannot reasonably establish that another individual is a tax dependent of a taxpayer for the tax year in which Medical Assistance is sought, the inclusion of such individual in the household of the taxpayer is determined.

Married Couples- married couples living together; each spouse will be included in the household of the other spouse, regardless of whether they expect to file a joint tax return or whether one spouse expects to be claimed as a tax dependent by the other spouse.

Note: On June 26, 2015, the Supreme Court, in United States v. Obergefell ET AL. v. Hodges, Director, Ohio Department of Health, ET AL. held: The Fourteenth Amendment requires a State to license a marriage between two people of the same sex and to recognize a marriage between two people of the same sex when their marriage was lawfully licensed and performed out of state. As of

June 26, 2015, Georgia recognizes same sex marriage for the Medicaid and PeachCare for Kids® programs. For Medicaid Modified Adjusted Gross Income (MAGI), Non-MAGI and PeachCare for Kids® programs the treatment of income and resources will be the same for same sex married couples and married couples of the opposite sex.

Pregnant Woman– each expected child is included in the budget group for PE Medical Assistance; pregnancy, and number of expected children, is based on the applicant's statement only. Only Pregnant Women and Presumptive Eligible (PE) Pregnant Women Medical Assistance allow multiple expected births to be included without medical verification of the number expected. All other Modified Adjusted Gross Income (MAGI) COAs need medical verification of multiple births; otherwise count a pregnant woman in the budget group as two (her and one unborn child).

503. Citizenship/Immigration Status

503.1. Policy

Citizenship/Immigrant status requirements are part of the PE program. Only Citizens/Nationals of the United States and Qualified Immigrants may qualify for PE Medical Assistance. Qualified immigrants that may qualify for Medicaid are:

503.1.1. Lawfully admitted immigrants who arrived in the United States before August 22, 1996, if they are:

503.1.1.1. Lawful permanent residents

503.1.1.2. Asylees, refugees, Cuban/Haitian entrants, immigrants granted parole in the U.S. for at least one year, immigrants whose deportation is being withheld, battered immigrants or victims of severe form of trafficking

503.1.1.3. Honorably discharged U.S. Veterans or active-duty military personnel, their spouses, or their unmarried dependent children.

An affirmative entry on the Single Streamlined application (94a) meets the criteria for citizenship/ immigrant status. If the applicant declares 'Yes' for citizenship/immigration status for individual(s) in BG, the individual(s) will be determined presumptively eligible provided that they met the other eligibility requirements; the family net taxable income is at or below the allowable the Federal Poverty Level (FPL) income limit; they state they are pregnant; they are Georgia residents; they are a Former Foster Care members and are the appropriate age per regulations.

The approved and denied PE Medical Assistance applications will be reviewed by the DFCS office to make a full Medical Assistance determination.

If the applicant is verbally unable to confirm citizenship or that they are not a qualified immigrant, then the QH will deny the PE Medical Assistance application and email the PE packet to DCH. DFCS will make a full determination for Emergency Medical Assistance (EMA). EMA cannot be completed in PE. QH will follow the procedures outlined in Chapter 703.

The applicant must be afforded the full opportunity to apply for PE Medical Assistance. This means all forms normally given during the course of the application process must be completed (PE Application-form 632H, HIPAA- form 5460 and the Single Streamlined Medical Assistance application-form 94a).

Visitors, tourists, foreign students and diplomats are not eligible.

601. Definition of Income

Income is money received by the budget group from any source. Money received may be earned or unearned. Earned income is compensation received in exchange for services rendered. It may be in the form of wages, salaries, commissions, or self-employment. Unearned income is money received for reasons other than for services rendered. It may be in the form of pensions, Social Security (RSDI) benefits or interest payments. MAGI-based income like taxable income, Social Security benefits, tax- exempt interest and foreign earned income are used in the PE Medical Assistance budgets.

Income may be received weekly, bi-weekly, semi-monthly, monthly, or some other payment schedule. Income received other than monthly must be converted to a monthly amount to perform the income comparison test for PE. The following table shows the conversion factor to use when determining monthly income. Deductions are calculated with the same conversion factor below.

IF PAID	THEN MULTIPLY BY
HOURLY	Number of hours worked per week x (times) the hourly wage x 4.3333 weeks.
WEEKLY	Weekly gross income x 4.3333
BI-WEEKLY	Bi-Weekly gross income x 2.1666
SEMI-MONTHLY	Semi-monthly gross income x 2
YEARLY	Divide the yearly gross income by 12.

`

602. Non-Taxable Income

There are some income types that are not included in the determination of eligibility because they have been defined as non-taxable income and are excluded under federal statute. Some examples of excluded income are adoption assistance payments, TANF (formerly AFDC) benefits, disaster relief assistance, earned income tax credits, energy assistance payments, child support, contributions and VA.

If the tax dependent/child has no other source of income and resides with a parent (biological, step, adopted), the Social Security RSDI income is excluded. RSDI of a tax dependent/child is countable only if the tax dependent/child has OTHER income that meets the IRS tax filing threshold for tax dependents or if the child does not reside with a parent and is not claimed as a tax dependent by his or her parent.

Income received from these sources is not included in any budget calculations to determine PE Medical Assistance. A list of exempt sources is included in Appendix I.

603. Income Eligibility Limits

Income limits for PE Medical Assistance are based on a percentage of the federal poverty level. The income limit used is determined by the number of people included in the budget group.

The income limit for each budget group size is given below and is included in Appendix M.

Modified Adjusted Gross Income Limits Effective March 1, 2023

Budget Group	5% Deduction	Parent/Caretaker with Children under age 19	133% Children 6-19	149% Children 1-5	205% Children 0-1	220% PGW

12	310	1,244	8,229	9,219	12,683	13,611

For each additional person over budget group size 12:
Add $23 (5% Deduction)
Add $50 (Parent/Caretaker with Children under 19)
Add $597 (133% FPL)
Add $669 (149% FPL)
Add $920 (205% FPL)
Add $987 (220% FPL)

To be presumptively eligible for Medical Assistance benefits, the monthly budget group net income must not exceed the monthly income standard for the budget group size. Net income must be less than or equal to the income limit to establish eligibility. Net income is gross minus allowable deductions.

The income limits are based on the Federal Poverty Level (FPL) and change each time the poverty level changes. This change usually occurs in February, and the new limits are effective beginning on

the first day of March. The limits are issued as soon as they are received from the U.S. Department of Health and Human Services.

604. Determination of MAGI-based Income

Unless specifically exempt, or otherwise excluded from consideration, all MAGI-based income of the budget group must be counted in the PE Medical Assistance determination.

In addition to those income sources identified as exempt or excludable by statute, there are allowable deductions available to offset the gross income.

The three allowable deductions are:

604.1. Pre-tax deductions

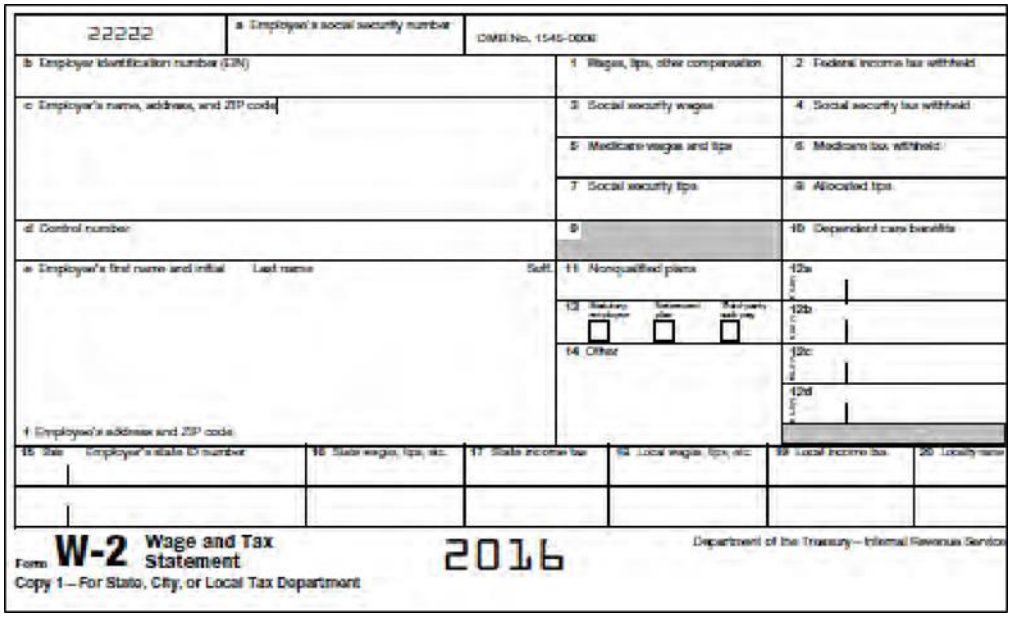

604.2. Form 1040 deductions

604.3. 5% FPL deduction (only use if needed to make individual(s) eligible)

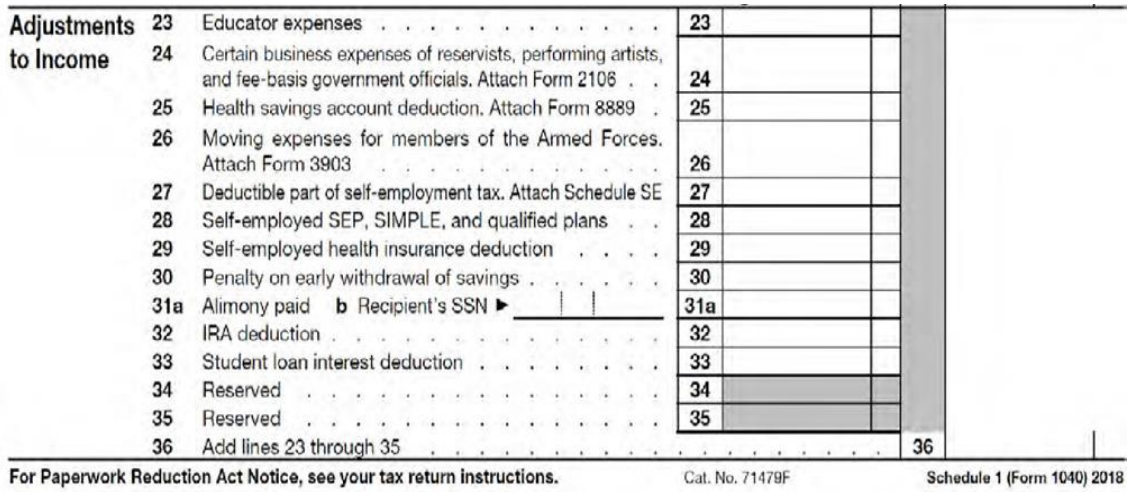

Note: MAGI-based income of the applicant's child, who is under the age of 19, is excluded, if they are not required to file a tax return.

605. Pre-tax Deductions

Pre-tax deductions are removed from gross income before taxes are applied. The most common types are health Insurance, dental insurance, vision insurance, etc. Not every income amount deducted from gross income is considered a pre-tax. Line 1 on the W2 form is what is entered on Line 7 of the tax return form 1040.

1040 Deductions:
Are located on the IRS Tax Return form 1040:

Note: Divorces and separations finalized or modified before January 1, 2019, include alimony as income and allow as a deduction. Divorces and separations finalized or modified on or after January 1, 2019, do not include alimony as income and do not allow as a deduction.

606. Earned Income

Earned income refers to the gross earnings of an individual received in the form of wages, tips, salaries or commissions, as payment for performing work duties, including self-employment.

When determining the income to be included from self-employment activities for the income comparison test, consider net income to be the total profit from the business. Net income is determined by deducting business expenses (those costs directly related to producing the goods or services that are allowable IRS deductions). The applicant's statement regarding gross income, receipts and costs of doing business, is accepted as establishing the amount of net income to be included in the financial calculation. The applicant may state an amount equal to the net income amount for a stated period.

Rental income is the only self-employment income that can be budgeted as earned or unearned income, depending on the number of hours an applicant is engaged in property management.
If the applicant is actively involved in property management for at least 20 hours per week, count the net income (gross income less the cost of doing business) as earned income.
If the applicant is not actively involved in property management as least 20 hours per week, count the net income (gross income less the cost of doing business) as unearned income.

When an individual receives food, shelter, clothing or some alternative payment other than cash for performing work activities, the value of these items is disregarded for the purposes of determining financial eligibility.
These items are considered in-kind benefits that have no direct monetary value to the budget unit for purposes of meeting daily needs.

See Appendix I for a chart Income.

Fluctuating Income
Paid/Receives $150, $165, $200 = 150 + 165 + 200 = 515 / 3 = $171.66
gross weekly = $171.66 x 4.3333 = $743.85
gross bi-weekly = $171.66 x 2.1666 = $371.91
gross twice a month = $171.66 x 2 = $343.32

Chapter 700: Procedures For Processing Applications

701. On-Line Procedures

The on-line process allows certain information contained on the completed PE application (form 632H) to be data entered into the GAMMIS system.
Data entry of this information allows immediate update of the DCH/GAMMIS file and immediate generation of a Medical Assistance identification number.

The on-line process does not eliminate the interview with the applicant and perform the eligibility determination. Further, the on-line process does not eliminate completion of appropriate forms. Only certain information contained on the completed PE application form 632H is involved in the automated process.

702. Approvals

Only information from approved PE Medical Assistance applications can be entered into the GAMMIS system. The completed PE Medical Assistance application (632H) contains certain data elements that can be entered directly in the GAMMIS system.

When it is determined that the applicant is eligible, and an approval is appropriate for PE Medical Assistance, adhere to the following procedures:

702.1. Enter the data from the PE application in the appropriate fields. When processing over the Internet, the member's identification number will be issued by the system if they don't already have a number.

702.2. If all data are entered correctly, the system will allow production of a temporary Medical Assistance certificate. Give the applicant a copy of the temporary Medical Assistance certificate and Notice of Action- Approval (634H). In addition to serving as a temporary Medical Assistance certificate, this document serves as a notice to the applicant that they are approved for Medical Assistance. Instruct the applicant to present this document to his/her provider as proof of Medical Assistance eligibility.

702.3. Within five (5) business days of completing the PE application, email the PE packet to DCH at hpe.inquiries@dch.ga.gov. The DFCS office will review the member's eligibility for ongoing and retroactive Medical Assistance (if requested).

Note: Qualified hospitals are encouraged to exercise care when executing the online process. Errors on a Presumptive Eligibility record will cause denials or delays in the payment of claims.

After the system accepts the information and issues a member identification number if applicable, errors on a record, such as an incorrect date of birth, wrong social security number, or improper spelling of a name, duplicate ID number issued, etc. cannot be corrected through the system. These must be corrected by DCH.

QH should complete the PE Manual Updates form and email along with the PE application (632H) to DCH at hpe.inquiries@dch.ga.gov. Complete only the section(s) that need to be updated. DCH

will complete updates the same business day if received by 5:00 pm. If received after 5:00 pm or on the weekend, updates will be completed the next business day.

The PE Manual Updates form can be found in Appendix F and are located on the GAMMIS web portal.

703. Manual Approvals

Only approved applications are to be sent to GAMMIS for data entry. The manual procedure is to be followed only when the qualified hospital does not have access to the internet or error occurs when trying to add PE eligibility to GAMMIS.

When it is determined that the applicant is eligible, and an approval is appropriate for PE Medical Assistance, adhere to the following procedures:

703.1. Complete a form 634H, Notice of Action-Approval and give the applicant a copy. Let them know that they should present this approval notice to their medical care and pharmacy providers.

703.2. Complete the PE Manual Updates form and email along with the PE application (632H) to DCH. Only complete the section(s) on the form that need to be updated.

703.3. Within five (5) calendar days of completing the PE application, email the PE packet to DCH at hpe.inquiries@dch.ga.gov

704. PE Packets Include: PE Application (632H)

Notice of Action - Approval (634H) HIPAA (5460) (signature page only) Notice of ADA/Section 504 Rights

Single Streamlined Medical Assistance Application (94a) Third Party Liability (DMA 285), if applicable
Any verification applicant provides

705. Denied Applications

If there is a qualifying member when the PE Medical Assistance application is denied, the data can be entered on the GAMMIS System.

Reasons for denial are:

705.1. The applicant is not a U.S. Citizen, U.S. National, or qualified immigrant.

705.2. The applicant’s net family taxable income is above the allowable percentage of the federal poverty level limit.

705.3. The applicant is not a Georgia resident.

705.4. The applicant is not the appropriate age for the PE Medical Assistance.

705.5. The applicant is not a Former Foster Care child

705.6. The applicant states she is not pregnant.

705.7. The applicant refuses to verbally give tax status information, unable to determine.

After the qualifying member, has been entered, on the GAMMIS system, then the denied member is entered, and the correct denial reason can be selected from the drop-down box. If after the completion of a PE application form 632H, and it is determined that there are no qualified applicants, the application is to be denied for PE. Then, adhere to the following instructions:

705.8. Complete and give the applicant a copy of the form 634H, Notice of Action-Denial. In the case of a denial, this is the only form the applicant receives.

705.9. Within five (5) business days of completing the PE application, email the PE packet to DCH at hpe.inquiries@dch.ga.gov.

Note: Since single denied applicants cannot be entered, all QH offices, including those with Internet access, must follow these procedures for denials.

P. Who is a Green Card Holder (Permanent Resident)?

A Green Card holder (permanent resident/Qualified Alien) is someone who has been granted authorization to live and work in the United States on a permanent basis. As proof of that status, a person is granted a permanent resident card, commonly called a "Green Card."

An immigrant can become a permanent resident several different ways. Most immigrants are sponsored by a family member or employer in the United States. Other may become permanent residents through refugee or asylee status or other humanitarian programs. In some cases, immigrants may be eligible to file for themselves.

This page can be found at: http://www.uscis.gov/greencard.

Q. When does time as a Permanent Resident begin?

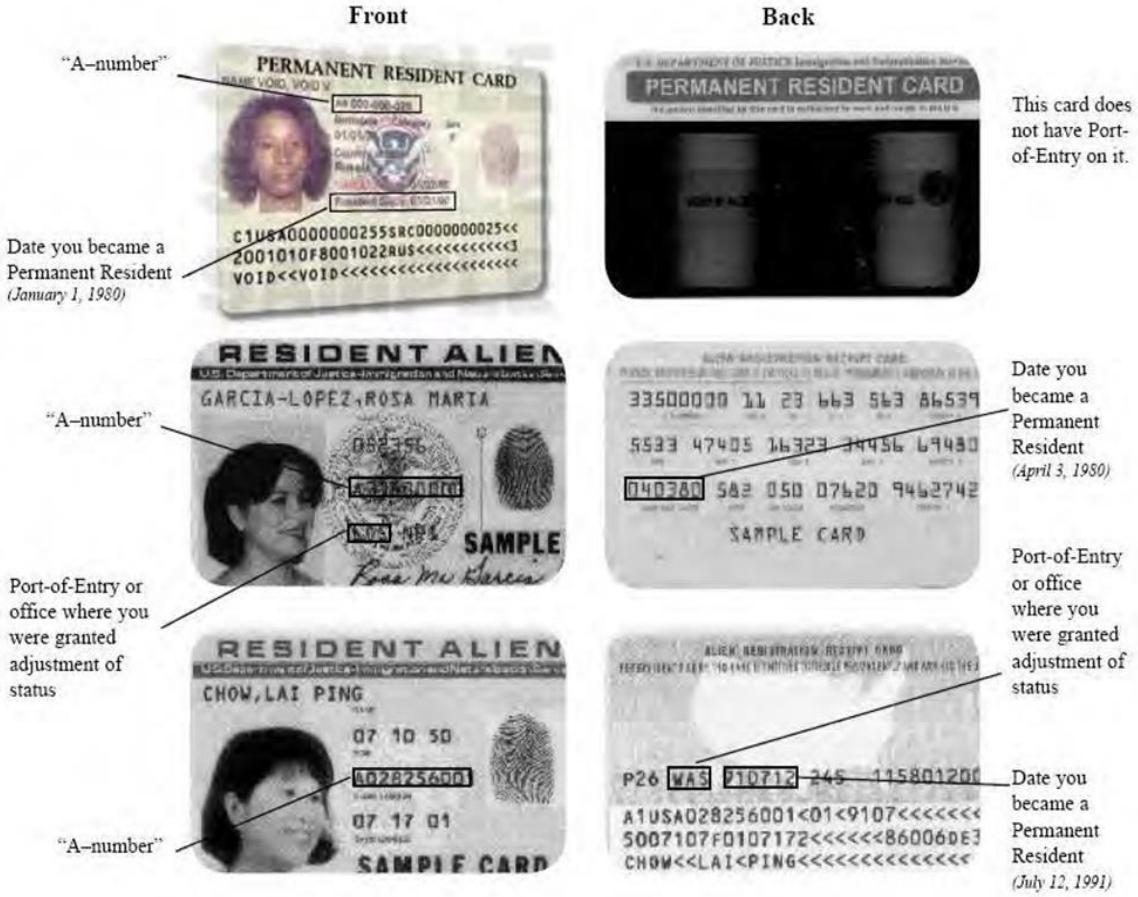

Permanent Resident begins on the date they were granted permanent resident status. This date is on their Permanent Resident Card (formerly known as an "Alien Registration Card" or "Green Card").

R. Sample Passport

This is what the new US green card looks like. On May 11, 2010, USCIS announced a redesigned Green Card. The Green Card will now be colored green for easy recognition. The Green Card redesign is the latest advance in USCIS's ongoing efforts to deter immigration fraud. State-of-the-art technology incorporated into the new card prevents counterfeiting, obstructs tampering, and facilitates quick and accurate authentication. Beginning May 11, 2010, USCIS will issue all Green Cards in the new, more secure format. USCIS will replace Green Cards already in circulation as individuals apply for green card renewal or green card replacement.

  (Name of person)

The Georgia Department of Human Services ("DHS") collects Personally Identifiable Information (PII), such as names, addresses, telephone numbers, email addresses, and dates of birth, etc., during your application for benefits. By submitting any personal information to us, you agree that we may collect, use, and disclose any such personal information in accordance with DHS policies, procedures, and as permitted or required by law and/or regulations.

We need this information to check your eligibility for help paying for health coverage if you choose to apply. We'll check your answers using information in our electronic databases and databases from the Internal Revenue Service (IRS), Social Security, Department of Labor (DOL), TALX (work number), the Department of Homeland Security and/or a consumer reporting agency. If the information doesn't match, we may ask you to send us proof.

Renewal of coverage in future years

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Health Insurance Agencies, DFCS and the FFM to use income data, including information from tax returns. The Health Insurance Agencies, DFCS and the FFM will send me a notice, let me make any changes, and I can opt out at any time.

Yes, renew my eligibility automatically for the next

☐ 5 years (the maximum number of years allowed), or for a shorter number of years:

☐ 4 years ☐ 3 years ☐ 2 years ☐ 1 year ☐ Don't use information from tax returns to renew my coverage.

If anyone on this application is eligible for Medical Assistance

- I am giving to the Medical Assistance agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I am also giving to the Medical Assistance agency rights to pursue and get medical support from a spouse or parent.
- Does any child on this application have a parent living outside of the home? ☐ Yes ☐ No
- If yes, I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell Medicaid and I may not have to cooperate.

Express Lane Eligibility:

Express Lane Eligibility (ELE) is an automatic process to enroll or renew eligible children under the age of 19 who are receiving Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) into the Medical Assistance program.
If you are receiving SNAP or TANF, the Division of Family and Children Services (DFCS) will use the household size, residency, and income information from SNAP or TANF, but DFCS will verify citizenship or immigration status using Medical Assistance rules to make an ELE determination to enroll or renew the children in Medicaid or PeachCare for Kids®. If your children are eligible for PeachCare for Kids®, they may be subject to a premium. DFCS will send you a determination notice, let you make any changes and allow you to opt out at any time.

If you would like your children to be evaluated for Medical Assistance using the ELE process, please select yes or no below.
☐ Yes ☐ No

My right to appeal

If I think the Health Insurance Agencies, DFCS and the FFM has made a mistake, I can appeal its decision. To appeal means to tell someone at the Health Insurance Agencies, DFCS or the FFM that I think the action is wrong and ask for a fair review of the action. I know that I can find out how to appeal by contacting the Division of Family & Children Services (DFCS) at **1-877-423-4746**. I know that I can be represented in the process by someone other than myself. My eligibility and other important information will be explained to me.

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health ("the Departments") are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments' programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (877) 423-4746 or the DCH Katie Beckett (KB) Team at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at https://dfcs.georgia.gov/adasection-504-and-civil-rights, or you may obtain the DCH ADA Reasonable Modification Request Form at the KB office, online at https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, or you may email your modification request to DCH.ADAassistance@dch.ga.gov.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For DCH, contact the KB Team ADA/Section 504 Coordinator at 2211 Beaver Ruin Road, Suite 150, Norcross, GA 30071 or P.O. Box 172, Norcross, GA 30091, (678) 248-7449. The DCH email is: dch.adarequests@dch.ga.gov.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at https://dfcs.georgia.gov/adasection-504-and-civil-rights. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us. The email for DCH Civil Rights complaints is: dch.civilrights@dch.ga.gov. The link for the DCH Civil Rights process and complaint form is located at: https://dch.georgia.gov/adasection-504-and-civil-rights.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Under the Department of Human Services (DHS), you may also file other discrimination complaints by contacting your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at Georgia Department of Human Services, Office of General Counsel, 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For complaints alleging discrimination based on limited English proficiency, contact the DHS Limited English Proficiency and Sensory Impairment Program at Georgia Department of Human Services, Office of General Counsel, 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746.

Si usted recibe SNAP o TANF, la División de Servicios para Familias y Niños (DSFC, por sus siglas en inglés) utilizará la información de estos programas, como el tamaño de la unidad familiar, la residencia y los ingresos de SNAP o TANF, pero la DFCS verificará la ciudadanía o el estado migratorio mediante el uso de las normas de la Asistencia Médica para realizar una determinación de ELE. De esta forma se inscribirá al/a niño/a o se renovará su inscripción a Medicaid o PeachCare for Kids®. Si su hijo/a es elegible para recibir PeachCare for Kids®, puede estar sujeto/a a una prima. Ayuda para personas con discapacidades

La ley federal * exige que el Departamento de Servicios Humanos de Georgia y el Departamento de Salud Comunitaria de Georgia ("los Departamentos") brinden a las personas con discapacidades la misma oportunidad de participar y calificar para los programas, servicios o actividades de los Departamentos. Esto incluye programas como SNAP, TANF y Asistencia Médica.

Los Departamentos proporcionan modificaciones razonables cuando las modificaciones son necesarias para evitar la discriminación basada en la discapacidad. Por ejemplo, podemos cambiar políticas, prácticas o procedimientos para brindar igualdad de acceso. Para garantizar una comunicación igualmente eficaz, proporcionamos a las personas con discapacidad o sus acompañantes con discapacidad asistencia en la comunicación, como intérpretes de lenguaje de señas. Nuestra ayuda es gratuita. Los Departamentos no están obligados a realizar ninguna modificación que pudiera resultar en una alteración fundamental en la naturaleza de un servicio, programa o actividad o en cargas financieras y administrativas indebidas.

Cómo solicitar una modificación razonable o asistencia de comunicación

Comuníquese con su administrador/a del caso si tiene una discapacidad y necesita una modificación razonable, asistencia en la comunicación o ayuda adicional. Por ejemplo, llame si necesita ayuda o servicio para una comunicación eficaz, como un intérprete de lenguaje de señas. Puede comunicarse con el/la administrador/a del caso o llamar al DFCS al 877-423-4746, o al equipo de Katie Beckett (KB) del DCH al 678-248-7449 para realizar su solicitud. También puede realizar su solicitud utilizando el Formulario de solicitud de modificación razonable ADA de DFCS, que está disponible en su oficina local de DFCS o en línea en https://dfcs.georgia.gov/adasection-504-and-civil-rights, o puede obtener el Formulario de solicitud de modificación razonable de ADA del DCH por parte del equipo de KB o en línea en https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, pero no es necesario que utilice un formulario.

Cómo presentar un reclamo

Tiene derecho a presentar un reclamo si los Departamentos lo han discriminado debido a su discapacidad. Por ejemplo, puede presentar un reclamo por discriminación si ha solicitado una modificación razonable o un intérprete de lenguaje de señas que ha sido denegado o no se ha actuado dentro de un tiempo razonable. Puede presentar un reclamo oralmente o por escrito comunicándose con su administrador/a del caso, su oficina local de DFCS o el Coordinador de Derechos Civiles de DFCS, ADA / Sección 504 en 2 Peachtree Street NW, 29th Floor, Atlanta, GA 30303, 1-877-423-4746. Para el DCH, comuníquese con el Coordinador del equipo KB, ADA/ Sección 504 en 2211 Beaver Ruin Road Suite 150, Norcross, GA, 30071, o el apartado postal 172, Norcross, GA 30091, 678-248-7449. El correo electrónico del DCH es el siguiente: dch.adarequests@dch.ga.gov.

Puede pedirle a su administrador/a del caso una copia del formulario de reclamo de derechos civiles de la DFCS, ADA/Sección 504. El formulario de reclamo también está disponible en https://dfcs.georgia.gov/adasection-504-and-civil-rights. Si necesita ayuda para presentar un reclamo por discriminación, puede comunicarse con el personal de la DFCS mencionado anteriormente. Las personas sordas o con problemas de audición o que puedan tener discapacidades del habla pueden llamar al 711 para que un operador se comunique con nosotros. El correo electrónico para los reclamos de derechos civiles del DCH es el siguiente: dch.civilrights@dch.ga.gov. El enlace para acceder al proceso de derechos civiles y al formulario de reclamos del DCH se encuentra en https://dch.georgia.gov/adasection-504-and-civil-rights.

** La Sección 504 de la Ley de Rehabilitación de 1973; la Ley de Estadounidenses con Discapacidades de 1990; y la Ley de Enmiendas a la Ley de Estadounidenses con Discapacidades de 2008 garantizan que las personas con discapacidades estén exentas de discriminación ilegal.*

Conforme al DHS, puede presentar un reclamo por discriminación al contactar a su oficina local de la División de Servicios para Familias y Niños (DFCS, por sus siglas en inglés) o al/a la coordinador/a de los derechos civiles de la DFCS, ADA/Sección 504 en 2 Peachtree Street NW, 29th Floor, Atlanta, GA 30303, 1-877-423-4746. Para presentar reclamos por una supuesta discriminación por motivos de conocimientos limitados del inglés, contáctese con el Programa de Conocimiento Limitado del Inglés y Discapacidad Sensorial del DHS en 2 Peachtree Street NW, 29th Floor, Atlanta, GA 30303, 1-877-423-4746 (voz).

As Required by Law. DHS will disclose Health Information when required to do so by federal, state or local law.

For Treatment. DHS may use and disclose Health Information for your treatment and to provide you with treatment-related health care services. For example, DHS may disclose Health Information to doctors, nurses, technicians, or other personnel who are involved in your medical care and need the information to provide you with medical care.

For Payment. DHS may use and disclose Health Information so that DHS or others may bill and receive payment related to your care, an insurance company, or a third party for the treatment and services you received. For example, DHS may provide your health plan information so that treatment may be paid for.

Individuals Involved in Your Care or Payment for Your Care. When appropriate, DHS may share Health Information with a person who is involved in your medical care or payment for your care, such as your family or a close friend. DHS also may disclose such information to an entity assisting in a disaster relief effort.

Research. Under certain circumstances, DHS may use and disclose Health Information for research. Before DHS uses or discloses Health Information for research, the project will go through a special approval process. Even without special approval, DHS may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

Business Associates. DHS may disclose Health Information to our business associates that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. For example, DHS may utilize the services of a separate entity to perform information technology services. All DHS business associates are obligated to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract.

Inmates or Individuals in Custody. If you are an inmate of a correctional institution or under the custody of a law enforcement official, DHS may release Health Information to the correctional institution or law enforcement official. This release would be if necessary: (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) the safety and security of the correctional institution.

USES AND DISCLOSURES THAT REQUIRE DHS TO PROVIDE YOU AN OPPORTUNITY TO OBJECT AND OPT OUT:

Individuals Involved in Your Care or Payment for Your Care. Unless you object, DHS may disclose to a member of your family, a relative, a close friend or any other person you identify, your Health Information that directly relates to that person's involvement in your health care. If you are unable to agree or object to such a disclosure, DHS may disclose such information as necessary if it is determined that it is in your best interest based on the professional judgment of DHS.

YOUR WRITTEN AUTHORIZATION IS REQUIRED FOR OTHER USES AND DISCLOSURES:

The following uses and disclosures of your Health Information will be made only with your written authorization:

1. Uses and disclosures of Health Information for marketing purposes; and

2. Disclosures that constitute a sale of your Health Information.

Your written permission is necessary before your health records are shared for any other reason not authorized by law. If you do provide DHS with a written authorization, you may revoke it at any time by submitting a written revocation to the Privacy Officer at the contact information below. Upon receipt, DHS will no longer disclose Health Information under the authorization. However, disclosures made in reliance upon your authorization before you revoked it will not be affected by the revocation.

YOUR RIGHTS:

You have the following rights regarding information DHS has about you:

Right to Inspect and Copy. You have a right to inspect and copy Health Information that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes. To inspect and copy this Health Information, you must make your request, in writing. DHS has up to 30 days to make your Health Information available to you and DHS may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request. DHS may not charge you a fee if you need the information for a claim for benefits under the Social Security Act or any other state or federal needs-based benefit program. DHS may deny your request in certain limited circumstances. If DHS does deny your request, you have the right to have the denial reviewed by a licensed healthcare professional who was not directly involved in the denial of your request, and DHS will comply with the outcome of the review.

Right to an Electronic Copy of Electronic Medical Records. If your Health Information is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. DHS will make every effort to provide access to your Health Information in the form or format you request if it is readily producible in such form or format. If the Health Information is not readily producible in the form or format you request, your record will be provided in our standard electronic format. If you do not want this form or format, a readable hard copy form will be provided. DHS may charge you a reasonable, cost-based fee for the labor associated with transmitting the electronic medical record.

You have the right to request an amendment for as long as the information is kept by or for our office. To make changes, you can go through your user portal, contact customer service for the program to which you are applying, contact your case manager, or make your request, in writing, to the below referenced Privacy Officer. We encourage you to review your information on a regular basis to make sure it is correct.

Right to an Accounting of Disclosures. You have the right to request a list of certain disclosures DHS made of Health Information for purposes other than treatment, payment and health care operations or for which you provided written authorization. If DHS agrees, we will comply with your request unless the information is needed to provide you with emergency treatment.

Right to Request Confidential Communications. You have the right to request that DHS communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that DHS only contact you by mail or at work. To request confidential communications, you must make your request, in writing. - Para determinar la elegibilidad; y
- Para inscribirlo en los programas del DHS;

La PII facilitada al DHS por los clientes se utiliza deliberadamente para determinar la elegibilidad, aprobar, denegar o renovar los beneficios de asistencia pública. Los datos se mantienen con el fin de renovar los beneficios mediante la verificación de la elegibilidad, la denegación de la agencia de apoyo y la aprobación de las decisiones de renovación. Los datos se comparten para conseguir el objetivo de los programas. No crearemos, recopilaremos, utilizaremos ni divulgaremos PII para fines no autorizados por la ley.

CÓMO PUEDE EL DHS UTILIZAR Y DIVULGAR INFORMACIÓN MÉDICA:

A continuación, se describen algunas formas en que el DHS puede utilizar y divulgar información médica protegida que lo identifique ("Información médica"):

Como exige la ley. El DHS divulgará información médica cuando así lo exija la legislación federal, estatal o local.

Para el tratamiento. El DHS puede utilizar y divulgar información médica para su tratamiento y para prestarle servicios médicos relacionados con su tratamiento. Por ejemplo, el DHS puede revelar información médica a doctores, personal de enfermería, técnicos u otro personal que esté involucrado en su atención médica y necesite la información para proporcionarle atención médica.

Para el pago. El DHS puede utilizar y divulgar información médica para que el DHS u otros puedan facturar y recibir pagos relacionados con su atención, una compañía de seguros o un tercero por el tratamiento y los servicios que usted recibió. Por ejemplo, el DHS puede facilitar información sobre su plan de salud para que se pueda pagar el tratamiento.

Personas implicadas en su asistencia o en el pago de la misma. Cuando corresponda, el DHS podrá compartir información médica con una persona que participe en su atención médica o en el pago de la misma, como su familia o una amistad cercana. El DHS también podrá divulgar dicha información a una entidad que preste asistencia en caso de catástrofe.

Investigación. En determinadas circunstancias, el DHS puede utilizar y divulgar información médica con fines de investigación. Antes de que el DHS utilice o divulgue información médica para investigación, el proyecto se someterá a un proceso de aprobación especial. Incluso sin una aprobación especial, el DHS puede permitir a los investigadores consultar los historiales para ayudarles a identificar a los pacientes que pueden incluirse en su proyecto de investigación o para otros fines similares, siempre que no retiren ni se lleven copia de ninguna información médica.

Socios comerciales. El DHS puede divulgar información médica a nuestros socios comerciales que realizan funciones en nuestro nombre o nos proporcionan servicios si la información es necesaria para tales funciones o servicios. Por ejemplo, el DHS puede utilizar los servicios de una entidad independiente para prestar servicios de tecnología de la información. Todos los socios comerciales del DHS están obligados a proteger la privacidad de su información y no se les permite utilizar o divulgar ninguna información que no sea la especificada en nuestro contrato.

Reclusos o individuos bajo custodia. Si usted está preso en una institución correccional o bajo la custodia de un funcionario encargado de hacer cumplir la ley, el DHS puede divulgar información médica a la institución correccional o al funcionario encargado de hacer cumplir la ley. Esta divulgación sería necesaria: (1) para que la institución le preste atención médica; (2) para proteger su salud y seguridad o la salud y seguridad de otras personas; o (3) la seguridad de la institución penitenciaria.

USOS Y DIVULGACIONES QUE REQUIEREN QUE EL DHS LE OFREZCA LA OPORTUNIDAD DE OPONERSE Y ANULAR:

Personas implicadas en su asistencia o en el pago de la misma. A menos que usted se oponga, el DHS puede revelar a un miembro de su familia, un pariente, un amigo íntimo o cualquier otra persona que usted identifique, su información médica que esté directamente relacionada con la participación de esa persona en su atención médica. Si usted no puede expresar que está de acuerdo u oponerse a dicha divulgación, el DHS puede divulgar dicha información según sea necesario si se determina que es en su mejor interés basado en el juicio profesional del DHS.

SE REQUIERE SU AUTORIZACIÓN POR ESCRITO PARA OTROS USOS Y DIVULGACIONES:

Los siguientes usos y divulgaciones de su información médica sólo se harán con su autorización por escrito:

1. Usos y divulgaciones de información médica con fines de *marketing*; y
2. Divulgaciones que constituyen una venta de su información médica.

Es necesaria su autorización por escrito antes de compartir su historial médico por cualquier otro motivo no autorizado por la ley. Si usted proporciona al DHS una autorización por escrito, puede revocarla en cualquier momento enviando una revocación por escrito al responsable de protección de datos a la dirección de contacto que figura más abajo. Una vez recibida, el DHS dejará de divulgar la información médica en virtud de la autorización. Sin embargo, la revocación no afectará a las divulgaciones realizadas en virtud de su autorización antes de que la revocara.

SUS DERECHOS:

Usted tiene los siguientes derechos en relación con la información que el DHS tiene sobre usted:

Derecho de inspección y copia. Tiene derecho a inspeccionar y copiar la información médica que pueda utilizarse para tomar decisiones sobre su atención o el pago de la misma. Esto incluye los historiales médicos y de facturación, salvo las notas de psicoterapia. Para inspeccionar y copiar esta información médica, debe solicitarlo por escrito. El DHS tiene hasta 30 días para poner a su disposición su información médica y el DHS puede cobrarle una tarifa razonable por los costos de la copia, el envío por correo u otros suministros relacionados con su solicitud. El DHS no puede cobrarle honorarios si necesita la información para solicitar beneficios en virtud de la Ley del Seguro Social o de cualquier otro programa estatal o federal de beneficios basados en las necesidades. El DHS puede denegar su solicitud en determinadas y limitadas circunstancias. Si el DHS deniega su solicitud, usted tiene derecho a que la denegación sea revisada por un profesional de la salud autorizado que no haya participado directamente en la denegación de su solicitud, y el DHS acatará el resultado de la revisión.

Derecho a una copia electrónica de los historiales médicos electrónicos. Si su información médica se conserva en formato electrónico (lo que se conoce como historial médico electrónico o historia clínica electrónica), tiene derecho a solicitar que se le entregue o transmita a otra persona o entidad una copia electrónica de su historial. El DHS hará todo lo posible para proporcionar acceso a su información médica en la forma o el formato que usted solicite si es fácilmente producible en dicha forma o dicho formato. Si la información médica no puede obtenerse fácilmente en la forma o el formato que usted solicita, se le facilitará su historial en nuestro formato electrónico estándar. Si no desea esa forma o ese formato, se le facilitará una copia impresa legible. El DHS puede cobrarle una tarifa razonable por los costos de la mano de obra asociada a la transmisión del historial médico electrónico.

Derecho a recibir aviso de una infracción. Usted tiene derecho a que se le notifique en caso de infracción con respecto a su información de salud protegida (PHI, en inglés) y PII que no estén protegidas.

Derecho de modificación. Si cree que el DHS tiene información incorrecta o incompleta sobre usted, puede solicitar al DHS que modifique la información. Tiene derecho a solicitar una modificación mientras la información sea

conservada por o para nuestra oficina. Para realizar cambios, puede ir a través de su portal de usuario, ponerse en contacto con el servicio de atención al cliente del programa al que se está inscribiendo, ponerse en contacto con su gestor de casos o realizar su solicitud, por escrito, al responsable de protección de datos mencionado más abajo. Le recomendamos que revise periódicamente sus datos para asegurarse de que sean correctos.

Derecho a un informe sobre las divulgaciones. Usted tiene el derecho de solicitar una lista de ciertas divulgaciones que el DHS hizo de su información médica para propósitos diferentes al tratamiento, pago y operaciones de cuidado de salud o para las cuales usted proporcionó autorización por escrito. Para solicitar una explicación de las divulgaciones, debe dirigirse por escrito al responsable de protección de datos.

Derecho a solicitar restricciones. Usted tiene derecho a solicitar una restricción o limitación de la información médica que el DHS utiliza o divulga para tratamientos, pagos u operaciones de atención médica. Usted también tiene derecho a solicitar un límite en la información médica que el DHS divulgue a alguien involucrado en su cuidado o en el pago de su atención, como un familiar o amigo. Por ejemplo, puede pedir que el DHS no comparta información sobre un determinado diagnóstico o tratamiento con su cónyuge. Para solicitar una restricción, debe hacerlo por escrito. El DHS no está obligado a acceder a su petición, a menos que usted solicite que el DHS restrinja el uso y la divulgación de su información médica a un plan de salud con fines de pago o de funcionamiento de la atención médica y dicha información que desea restringir se refiera únicamente a un artículo o servicio de atención médica por el que usted haya pagado "de su bolsillo" en su totalidad. Si el DHS está de acuerdo, accederemos a su solicitud a menos que la información sea necesaria para proporcionarle tratamiento de urgencia.

Derecho a solicitar comunicaciones confidenciales. Tiene derecho a solicitar que el DHS se comunique con usted en relación con asuntos médicos de una determinada manera o en un determinado lugar. Por ejemplo, puede pedir que el DHS solo se ponga en contacto con usted por correo o en el trabajo. Para solicitar comunicaciones confidenciales, debe hacerlo por escrito. Su solicitud debe especificar cómo o dónde desea que nos pongamos en contacto con usted. El DHS atenderá las solicitudes razonables.

Appendix K
Instructions For Completion of The Georgia Department of Community Health Third Party Liability Health Insurance Information Questionnaire Form DMA 285

A. PURPOSE

The purpose of this form is to provide the Department of Community Health (DCH) with information regarding the availability of third-party liability (TPL) to beneficiaries and to report to DCH any subsequent changes to such TPL. It is also used to document that the beneficiary agrees to assign their rights to payments from TPL to DCH.

TPL available to the beneficiary must be used by DCH to reduce or recover Medicaid payments for medical services. Resources include group, private, or HMO health insurance policies held by the beneficiary, beneficiary's parent, absent parent or divorced parent; federal and state health insurance programs; casualty and liability insurance including automobile or school coverage for an accident; business insurance for an injury on business premises; or homeowner's insurance for an injury on owner's premises. TPL do not include life insurance policies, mortgage insurance, or any supplemental income policies. Do not complete a DMA 285 for Medicare.

B. PREPARATION

The original copy of newly completed DMA 285's, as well as copies reporting additions, changes, or cancellations are to be mailed to:

Health Management System (HMS) 900 Circle 75 Parkway
Suite 650
Atlanta, GA 30339 OR
Fax: 770-937-0180

The DMA 285 Form should be prepared, dated, and signed by the caseworker and applicant at the initial interview. When reporting information on a TPL, send the completed first page to HMS and retain the two remaining copies in the beneficiary's file. A separate DMA 285 should be prepared and sent for each insurance carrier.

The DMA 285 form can be screen printed from Appendix F or from the GAMMIS website form section. When reporting TPR send the original completed screened printed form to HMS and keep a photo-copy in the file.

If no TPL are reported, do not complete a form DMA 285 if application form DMA 632W with revision date 01/1/13 was used. If an earlier version was used, then have the applicant complete the DMA 285 indicating no TPL exist. A new form should be completed when TPL are added or if there is a change in employer related group coverage. Mark "Change" box and show the new information in the appropriate section. If a previously TPL is no longer valid, i.e., is dropped or cancelled, use one of the retained copies of the form and check the "cancellation" block, record the effective date of the cancellation on the line labeled "Policy Termination Date" and send to HMS.

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health ("the Departments") are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments' programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at 404-657-3433 or DCH at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at https://dfcs.georgia.gov/adasection-504-and-civil-rights, or you may obtain the DCH ADA Reasonable Modification Request Form at the DCH Katie Beckett (KB) Team office or online at https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, but you do not have to use a form.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. For DCH, contact the KB TEAM ADA/Section 504 Coordinator at: 2211 Beaver Ruin Road, Suite 150, Norcross, GA 30071 or P.O. Box 172 Norcross, GA. 30091, 678-248-7449.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at https://dfcs.georgia.gov/adasection-504-and-civil-rights. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) is within the "USDA-HHS Joint Nondiscrimination Statement" included within.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Aviso de derechos según la Ley de Estadounidenses con Discapacidades (ADA)/sección 504

Ayuda para personas con discapacidad

La ley federal* exige que el Departamento de Servicios Humanos de Georgia y el Departamento de Salud Comunitaria de Georgia ("los Departamentos") brinden a las personas con discapacidad la misma oportunidad de participar y reunir los requisitos para los programas, los servicios o las actividades de los Departamentos. Esto incluye programas como SNAP (Programa de Asistencia Nutricional Suplementaria), TANF (Asistencia Temporal para Familias Necesitadas) y Asistencia Médica.

Los Departamentos brindan modificaciones razonables cuando son necesarias para evitar la discriminación basada en la discapacidad. Por ejemplo, podemos cambiar políticas, prácticas o procedimientos para brindar acceso equitativo. Para garantizar una comunicación igualmente efectiva, brindamos asistencia de comunicación a las personas con discapacidad o sus acompañantes con discapacidad, como intérpretes de lengua de señas. Nuestra ayuda es gratis. Los Departamentos no están obligados a realizar ninguna modificación que resulte en una alteración fundamental en la naturaleza de un servicio, un programa o una actividad o en cargas financieras y administrativas indebidas.

Cómo solicitar una modificación razonable o asistencia de comunicación

Comuníquese con su asistente social si tiene una discapacidad y necesita una modificación razonable, asistencia de comunicación o ayuda adicional. Por ejemplo, llame si necesita ayuda o servicio para una comunicación efectiva, como un intérprete de lengua de señas. Puede comunicarse con su asistente social o llamar al DFCS (Departamento de Servicios para la Familia y los Niños) al 404-657-3433 o al DCH (Departamento de Salud Comunitaria) al 678-248-7449 para hacer su solicitud. También puede realizar su solicitud utilizando el formulario del DFCS para solicitud de modificación razonable en virtud de la ADA (Ley para Estadounidenses con Discapacidades), que está disponible en la oficina local del DFCS o en línea en https://dfcs.georgia.gov/adasection-504-and-civil-rights. Además, puede obtener el formulario del DCH para solicitud de modificación razonable en virtud de la ADA en la oficina del equipo Katie Beckett (KB) del DCH o en línea en https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, pero no es necesario usar un formulario.

Cómo presentar una queja

Tiene derecho a presentar una queja si los Departamentos lo han discriminado por su discapacidad. Por ejemplo, puede presentar una queja por discriminación si ha solicitado una modificación razonable o un intérprete de lengua de señas que se le hayan negado o que no se hayan resuelto en un plazo razonable. Puede presentar una queja verbalmente o por escrito comunicándose con su asistente social, la oficina local del DFCS o el coordinador de derechos civiles y de la ADA/Sección 504 del DFCS en 2 Peachtree Street N.W., Ste 19-454, Atlanta, GA, 30303, 404-657-3735. Para el DCH, comuníquese con el coordinador del equipo KB y la ADA/Sección 504 en 2211 Beaver Ruin Road, Suite 150, Norcross, GA, 30071, o P.O. Box 172, Norcross, GA 30091, 678-248-7449.

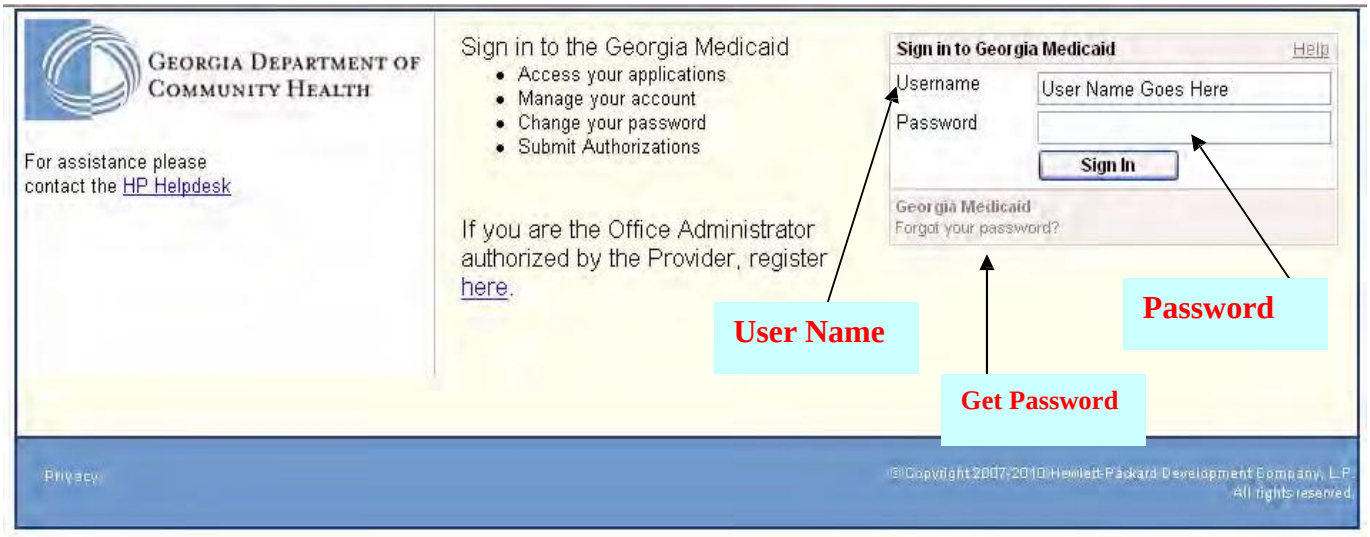

Puede pedirle a su asistente social una copia del formulario de queja de derechos civiles del DFCS. El formulario de queja también está disponible en: https://dfcs.georgia.gov/adasection-504-and-civil-rights. Si necesita ayuda para presentar una queja por discriminación, puede comunicarse con el personal del DFCS mencionado anteriormente. Las personas sordas o con problemas de audición, o que tengan discapacidades del habla, pueden llamar al 711 para que un operador se conecte con nosotros.

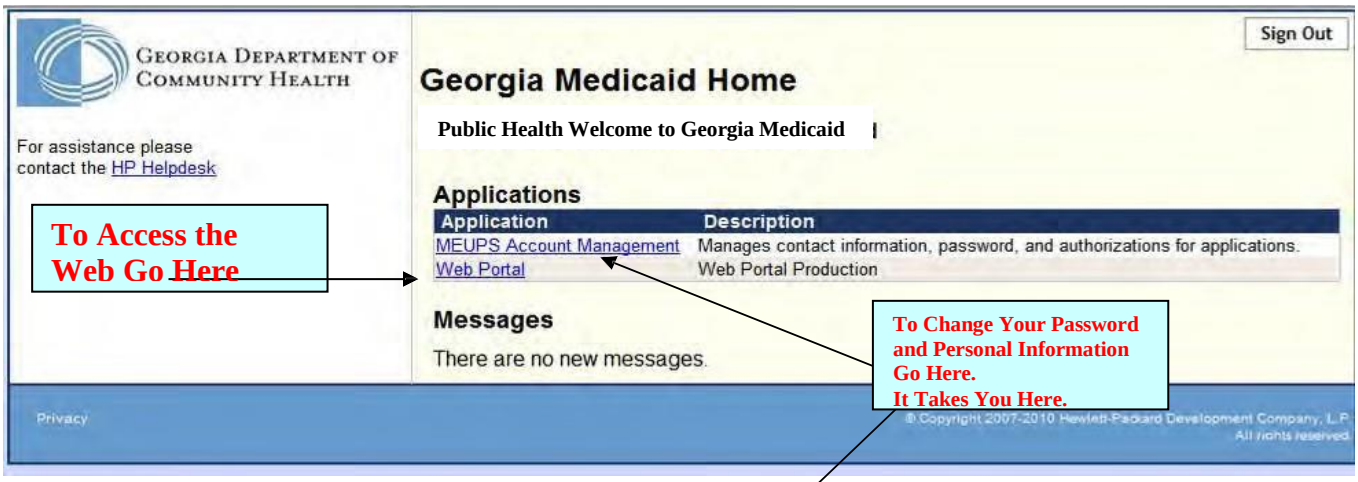

También puede presentar una queja por discriminación ante la agencia federal correspondiente. La información de contacto del Departamento de Agricultura de los EE. UU. (USDA) y del Departamento de Salud y Servicios Humanos de los EE. UU. (HHS) se encuentra dentro de la "Declaración conjunta de no discriminación del USDA-HHS" incluida.

RE: Same Sex Marriage - How do we treat Income and Resources?

Question:

If we have a same sex married couple, how do we treat income and resources, both if they indicate they file jointly or indicate they file separately. How do we determine who gets included in a Parent/Caretaker with children budget, if income eligible?

Response:

On June 26, 2015, the Supreme Court, in United States v. Obergefell ET AL. v. Hodges, Director, Ohio Department of Health, ET AL. held:" The Fourteenth Amendment requires a State to license a marriage between two people of the same sex and to recognize a marriage between two people of the same sex when their marriage was lawfully licensed and performed out of state." In addition "The Court, in this decision, holds same-sex couples may exercise the fundamental right to marry in all States. It follows that the Court also must hold – and it now does hold – that there is no lawful basis for a State to refuse to recognize a lawful same-sex marriage performed in another State on the ground of its same-sex character." Governor Deal states Georgia will abide by the Federal law. As of June 26, 2015 Georgia recognizes same sex marriage for the Medicaid and PeachCare for Kids® programs.

For Medicaid Modified Adjusted Gross Income (MAGI), Non-MAGI and PeachCare for Kids® programs the treatment of income and resources will be the same for same sex married couples and married couples of the opposite sex.

Please note we do not count resources in MAGI.

Please update the Office of Family Independence Medicaid procedures manual to reflect this change throughout. Also, issue a numbered bulletin to expedite the dissemination of this information. If you have any questions or need additional information please contact Karen Y. Houston at 404-657-7270.

RE: Social Security Retirement, Survivor's, Disability Insurance (RSDI) Income of Tax Dependents for Modified Adjusted Gross Income (MAGI) based Medicaid and PeachCare for Kids® determinations.

BACKGROUND

The Patient Protection and Affordable Care Act of 2010 required the use of new financial methodologies when determining Medicaid eligibility for MAGI classes of assistance. This methodology redefines the financial household by utilizing the tax filing status of an applicant or beneficiary. The household composition rules are applied to classes of assistance that are required to use MAGI methodology to determine household taxable income and eligibility

PURPOSE

To provide additional clarification on Social Security RSDI received by a tax dependent child for MAGI based budgeting based on the Affordable Care Act (ACA) effective January 1, 2014.

If the tax dependent/child has no other source of income and resides with a parent (biological, step, adopted), the Social Security RSDI income is excluded. RSDI of a tax dependent/child is countable only if the tax dependent/child has OTHER income that meets the IRS tax filing threshold for tax dependents or if the child does not reside with a parent and is not claimed as a tax dependent by his or her parent.

Note: The filing threshold is applied based on whether the individual should file a tax return. If the individual does not file, the threshold still applies.

The current (2013) IRS tax filing thresholds for tax dependents are:

- $6100 annually for EARNED income
- $1000 annually for UNEARNED income

Note: RSDI does NOT count toward the unearned threshold.

Note: The 2014 IRS tax filing thresholds will begin in January 2015.

Please update the Office of Family Independence Medicaid procedures manual to reflect this clarification. Also, issue a numbered bulletin to expedite the dissemination of this information. If you have any questions or need additional information please contact Karen Y. Houston at khouston@dch.ga.gov or 404-657-7270 or Mollie Elder at melder@dch.ga.gov or 404-463-8369.

RE: Clarification: 5% MAGI FPL deduction

DCH understands that the SUCCESS system is not currently programmed to correctly apply the 5% Modified Adjusted Gross Income (MAGI) Federal Poverty Level (FPL) deduction. Application of this deduction will be corrected with the implementation of the new Georgia Integrated Eligibility System, Georgia Gateway. This policy memo is to align policy correctly so that staff are trained appropriately in preparation for IES implementation.

This memo will provide clarification of the application of the 5% MAGI FPL deduction in the MAGI budget when determining eligibility for Medical Assistance benefits.

Section 2669-MAGI Budgeting in the Office of Family Independence Medicaid manual, states that a tax filer budget group's net taxable income is determined by deducting the following from the Budget Group's (BG) gross income:

- Cost of doing business for self-employed or farming/fishing individuals.
- Before-Tax deductions
- 1040 deductions
- MAGI 5% FPL deduction

The net taxable income is then compared against the FPL for the BG size to determine eligibility for Medical Assistance categories.

This memo clarifies that the MAGI 5% deduction is NOT applied at this point, but that Net Taxable income is determined by deducting the cost of doing business for self-employed or farming/fishing individuals; before-Tax deductions; or any 1040 deductions and THEN compared against the FPL for the BG size. If the BG's Net Taxable income puts the individuals requesting assistance over the income limit for MAGI Medical Assistance, then the 5% deduction is applied only if it will bring the BG under the income limit. If the MAGI household would NOT be eligible with the 5% deduction for MAGI Medicaid continue the Medical Assistance eligibility determination for the children with PeachCare for Kids® or Medically Needy Medicaid.

Procedures beginning on Section 2669-1 should be revised to read as in the enclosure.

Please update the Office of Family Independence Medicaid manual and notify field staff of the clarification of the 5% MAGI FPL deduction prior to pilot of Georgia Gateway. Please contact Yvonne Greene at 404-463-2135 or ygreene@dch.ga.gov or Jonathan Duttweiler at 404-651-9981 or jduttweiler@dch.ga.gov if you have additional questions.

PROCEDURES	Follow the steps below to determine eligibility for MAGI COAs.
Step 1	Deduct any pre-tax deductions to determine the Modified Adjusted Gross Income of the BG.
Step 2	For self employed individuals, deduct all allowable IRS deductions. Refer to Section 2415, Self-Employment.
Step 3	Select the appropriate income limit; either the Parent/Caretaker limit, or the appropriate Pregnant Women or Children Under 19 limit using the criteria below. Refer to Appendix A2, Financial Limits for Family Medicaid. • 220% of the FPL for pregnant women and infants born to Medicaid-eligible women **NOTE:** Infants born to Medicaid-eligible mothers are considered to have met the Newborn Medicaid income limit, regardless of the budget group's income at the time of delivery. • 205% of the FPL for children, birth through the month the child reaches age one for children who are ineligible for Newborn Medicaid. • 149% of the FPL for children age one through the month in which the child turns age six.133% of the FPL for children age six through the month in which the child turns age 19. • Parent/Caretaker with Child(ren) limit for Parent/Caretaker with Child(ren) COA.

Step 4	Compare the MAGI amount to the appropriate income limit for the BG size. • If the net countable income is less than or equal to the appropriate income level, approve the AU members for Medical Assistance • . • If the net countable income exceeds the appropriate income level for the BG size, proceed to Step 5.
Step 5	Subtract from the net income the MAGI 5% deduction for the appropriate 100% FPL for the household size. Please refer to Appendix A-2 for the deduction amounts for each household size. • If the net countable income is now less than or equal to the appropriate income level, approve the AU members for the appropriate Medical Assistance category. • If the net countable income still exceeds the appropriate income level for the BG size, the AU members are ineligible for that category of Medical Assistance. If ineligible for Parent/Caretaker with Child(ren), continue the eligibility determination to Children Under 19 coverage. If ineligible for Children Under 19 coverage, review for eligibility under PeachCare for Kids® (PCK or Medically Needy Medicaid. **NOTE:** Because the Children Under 19 income limits vary based on the age of the child, it is possible that a child(ren) may be eligible for Medical Assistance while another child(ren) in the same BG may be ineligible. Continue the eligibility determination as indicated above for an ineligible child(ren) in a budget group.

RE: Clarification to Declaration of Citizenship/Immigration Status

DATE: September 11, 2018

On November 30, 2016, the Department of Health and Human Services (DHHS), Centers for Medicare and Medicaid Services (CMS) issued its final rule for provisions of the Affordable Care Act (ACA). One of the final provisions was proposed at 42 CFR §435.406(a)(3).

42 CFR §435.406(a)(3) states, "a declaration of citizenship or satisfactory immigration status may be provided, in writing and under penalty of perjury, by an adult member of the individual's household, an authorized representative, as defined in §435.923, or if the applicant is a minor or incapacitated, someone acting responsibly for the applicant provided that such individual attests to having knowledge of the individual's status".

The language in the final rule was revised to clarify that to make declaration on another person's behalf, the individual must attest to having knowledge of the person's citizenship or immigration status. Examples of individuals who might have knowledge of another person's citizenship or immigration status and can make declaration on another person's behalf include: parent, spouse, friend, an adult family member, friend or acquaintance who can attest to knowing the person's status.

Effective immediately, any individual age 18 or older included in the application does not have to sign the application or a separate declaration of citizenship (Form 216) unless the applicant does not have knowledge of the person's citizenship or immigration status.

Please immediately inform staff of this clarification, update section 2215 of the Office of Family Independence Medicaid Manual, and submit Change Requests for any needed revisions in Georgia Gateway. If you have any questions or need additional information, contact Kunita Snead at 404-463-6234 or Kunita.snead@dch.ga.gov

RE: Compact of Free Association (COFA) Migrants

DATE: July 16, 2021

The purpose of this memorandum is to provide new policy as it relates to Section 208 of the Consolidated Appropriations Act, 2021-COFA migrant Medicaid extension.

COFA Migrants Medicaid Extension

Effective December 27, 2020, section 208 of the Consolidated Appropriations Act, 2021 requires states and the District of Columbia (DC) to provide Medicaid coverage for individuals who are considered Compact of Free Association (COFA) migrants (also referred to as compact citizens).
The COFA Medicaid extension due to this legislation does not extend to PeachCare for Kids®.

COFA is an agreement between the United States and the three Pacific Islands sovereign states of Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, known as Freely Associated States.

Citizens of these Freely Associated States known as COFA migrants are to be considered "qualified non-citizens" and are not required to meet the 5-year waiting period required of other non-citizen immigrants.

DFCS must collect information regarding eligible immigration status on the Medical Assistance application and verify the immigration status of applicants through the SAVE program. (1137(d) of the Social Security Act; 42 CFR 435.406)

If unable to promptly verify citizenship or immigration status, Medical Assistance should be provided during a 90-day reasonable opportunity period (ROP) to applicants who attest to citizenship or have an eligible immigration status and meet all other eligibility requirements for Medical Assistance.

Until updates are made by the Federal Data Services Hub (FDSH) and the Federally Facilitated Marketplace (FFM), immigration status for COFA migrants may not be accurately provided and other established pathways should be used to verify the applicants' immigration status.

Please issue a numbered bulletin to expedite the dissemination of this information to field staff. Update Georgia Gateway and all applicable sections of the Office of Family Independence Medicaid Policy and Procedure manual to reflect this change. If you have any questions or need additional information, please contact Teresa Fair at 470-727-7207 or Teresa.Fair@dch.ga.gov.

RE: Ukrainian Nationals

DATE: August 25, 2022

The purpose of this memorandum is to provide information as it relates to Medicaid and Peachcare for Kids ® eligibility for Ukrainian Nationals.

The U.S. Department of Homeland Security (DHS) is providing support and humanitarian relief to Ukrainians who have been displaced. Most Ukrainian nationals arriving in the United States are eligible for health coverage. Certain Ukrainian nationals are eligible for health coverage through Medicaid, Peachcare for Kids®, the Health Insurance Marketplace®, or Refugee Medical Assistance (RMA).

Ukrainian nationals who enter the United States as parolees on or between February 24, 2022, and September 30, 2023, are eligible for Medicaid or Peachcare for Kids ® to the same extent as refugees, without a five-year waiting period, if they meet all other eligibility requirements. These Ukrainian parolees are considered "qualified non-citizens" for the purposes of Medicaid and Peachcare for Kid® eligibility since they are eligible for the same benefits as refugees.

Ukrainian nationals who are paroled into the U.S. after September 30, 2023 and are the spouse or child of a parolee described above, or who is the parent, legal guardian, or primary caregiver of a parolee described above who is determined to be an unaccompanied child will also be eligible for Medicaid and PCK to the same extent as refugees.

Ukrainians granted Temporary Protected Status (TPS), and Ukrainians who have pending applications for TPS and who have been granted employment authorization are not considered "qualified non-citizens" for purposes of Medicaid and Peachcare for Kids® eligibility, and thus are not eligible for Medicaid or Peachcare for Kids®.

Ukrainian non-citizens who do not qualify for full Medicaid benefits based on their immigration status may be eligible for Emergency Medical Assistance (EMA), if they meet all other eligibility requirements.

Please issue a numbered bulletin to expedite the dissemination of this information to field staff. Update Georgia Gateway and all applicable sections of the Office of Family Independence Medicaid Policy and Procedure manual to reflect this change. If you have any questions or need additional information, please contact Anika Washington at awashington1@dch.ga.gov.
