

STATE OF GEORGIA NURSE AIDE REGISTRY NURSE AIDE CERTIFICATION RENEWAL

Dear Certified Nurse Aide:

In order to remain on the Registry and to be eligible to work in a licensed Medicaid & Medicare facility, you must meet the requirements for Re-Certification. Federal Regulations require that you must have worked as a CNA for pay under the supervision of a licensed nurse, and a minimum of eight hours within a continuous period of 24 consecutive months from the most recent re-certification date. If you are unable to meet this requirement, you must be <u>retested</u> to remain on the Georgia Nurse Aide Registry. If your certification expires three or more years from date of last re-certification date, then you must take another State approved nurse aide training program and pass the Written/Oral and Skills Competency Examination.

You must send the Registry a completed *Application for Renewal as a Certified Nurse Aide*. This is enclosed but may, but may be printed from the web site (<u>www.mmis.georgia.gov</u>) or you may request a form via the Telephone Interactive Voice Response System by calling 678-527-3010 or 800-414-4358.

If you are <u>currently working</u> as a nurse aide, complete **Section A** of the application form and have your employer sign the form. **Submit a <u>copy</u> of check stub or W-2 Form as verification of employment. Private Duty requirements below apply to section A**.

If you **are** currently working or have worked Private Duty, please provide proof of employment. Acceptable Private Duty services must be under the general supervision of a LPN/RN. **Please include a notarized statement with detailed job duties signature of employer, signature of LPN/RN and license number, time frame worked and a <u>copy</u> of check stub or W-2 form as verification of employment. These requirements apply to Section A and B.** Failure to submit all required proof will delay your re-certification.

If you <u>are not currently working</u> as a nurse aide, but <u>meet the requirements of 8 hours</u> of work within a continuous period of 24 consecutive months from the most recent re-certification date as a nurse aide, fill out **Section B** of the application form. **Private Duty requirements above apply to section B**.

Please be sure to include your signature and the signature of your current employer, if applicable in the space provided.

You will be issued a new certification letter identifying the new two-year expiration date. If your name and/or address changes within the next 24, months, please fill out a Change of Name or Personal Information Form and mail to the Alliant Health Solutions, Attn: GA Nurse Aide Registry, P.O. Box 105753, Atlanta, Georgia 30348. You may print a request for *Change of Name* or *Change of Personal Information Form* via the GAMMIS Web Portal (www.mmis.georgia.gov).

If there is a change of address, it is the sole responsibility of the CNA to report this change. The CNA has 10 working days to report the change so that the registry will be updated appropriately.

Failure to return the *Application for Renewal as a Certified Nurse Aide* will result in your name being removed from the Georgia Nurse Aide Registry and you will not be eligible to work as a nurse aide by a licensed **Medicaid facility.** Thank you for your cooperation.

Sincerely,

Georgia Nurse Aide Registry
