

**STATE OF GEORGIA
NURSE AIDE REGISTRY LISTING BY RECIPROCITY
GENERAL INFORMATION**

Part I: Eligibility

A nurse aide from another state may apply for listing on the Georgia Nurse Aide Registry in lieu of completing a Georgia state-approved Nurse Aide Training and Competency Evaluation Program or state-approved Competency Evaluation Program by meeting the following qualifications. The individual:

1. Is currently listed on another state's Nurse Aide Registry with an active status and without discipline/encumbered status on file.
2. Has no pending or substantiated findings of patient abuse, neglect, or misappropriation of resident/patient property recorded on another state's Nurse Aide Registry.
3. Has a valid, government-issued social security card with the name matching the individual's registry listing in the state noted in #1 above.
4. Has been employed as a Certified Nurse Aide for at least eight (8) hours, for pay, under registered nurse supervision within the past two years of submitting the required information to Georgia.

Part II: Instructions for Application as a Certified Nurse Aide in the State of Georgia

1. In order for the Georgia Nurse Aide Registry to consider you for reciprocity, you must complete the *Application for Nurse Aide Registry Listing by Reciprocity* form.
2. The application requires verification of your most recent nurse aide employment under registered nurse supervision within the past two years. This information is included under Section B.
3. Private Duty services must be under the general supervision of a LPN/RN. Please provide notarized statement listing job duties and time frame worked from LPN/RN with nurse's signature and current license number. Also, attach a copy of check stub or W-2 form as proof of payment for nurse aide services.
4. The Georgia Nurse Aide Registry will verify registry status in the state that currently lists your name as a certified nurse aide. Upon state verification, the Georgia Nurse Aide Registry will evaluate the complete application, along with the state verification information before adding your name to the Georgia registry without taking the Georgia Written/Oral and Skills Competency Examination. You must meet **all** the eligibility requirements listed in Part I. In states where verification is not available via the web portal, the Georgia registry will mail a verification form to the state to complete. This process will hold up the review for approval for placement on the Georgia Registry. **Please allow 14 business days for processing when verification of registry status can be verified in the current certification state via the web portal. If the verification form is mailed from Georgia to the current certification state for completion, please allow more time for processing. RECIPROCITY FORM CANNOT BE FAXED.**
5. If Georgia address is not provided at time of placement on the Georgia registry a certification card will not be mailed out. Once you move to Georgia, call the nurse aide registry at 678-527-3010 or 800-414-4358 to provide a Georgia address and a certification card will be requested to the correct address. Verification status can be printed via the web site at www.mmis.georgia.gov.
6. If there is a change of address, it is the sole responsibility of the CNA to report this change. The CNA has 10 working days to report the change so that the registry will be updated appropriately.
