Any candidate **“scheduled to test”** on or after July 1, 2014 will need to send the new fees with their registration application. An updated *“Application for Registration”* form will be available on the Pearson website at [www.pearsonvue.com](http://www.pearsonvue.com) (navigate to the Georgia Nurse Aide page).

If a candidate is scheduled for an examination/evaluation on or after July 1, 2014 and they do not submit the correct fees, their application will be returned with a deficiency letter requesting the additional fees, which may result in a possible delay in testing. In addition, any application or reschedule request submitted on or after June 14, 2014 will be subject to the updated exam fees.

If you have any questions, please contact the Pearson VUE Customer Service Department at 1-877-244-1694. We look forward to continued success with the Georgia Nurse Aide testing program and appreciate your ongoing support and cooperation.

Sincerely,
